The Santa Monica-Malibu Education Foundation (SMMEF) ended 2015 on a high note, receiving a \$25,000 donation from MSD Capital and the Fairmont Miramar Hotel and Bungalows. Funds will be put toward various programs at all 16 SMMUSD schools.

“On behalf of all students in Santa Monica and Malibu public schools, SMMEF is grateful to MSD Capital for their generous donation,” SMMEF Executive Director Linda Greenberg said in a press release by SMMEF. “By investing in our community’s schools, MSD Capital is showing their commitment to this wonderful community that cares so deeply about ensuring an excellent educational experience for all its students.”

The Fairmont Miramar Hotel and Bungalows will also sponsor the inaugural Santa Monica-Malibu Wine Auction for parents community members in April 2016.
